WARRANTY REPLACEMENT (write the defect found)

.....

.....

(The warranty gives the right to the recovery of the conformity of the product through reparation or replacement of the defective part, in accordance with the terms and conditions indicated, and in the respect of the applicable law. Polini Motori S.p.A. reserves the right to use, in case of replacement, a later version which is proper for the applications foreseen for the version purchased originally. The interventions to recover the conformity of the product do not extend in any case the validity of the warranty which is effective as of the product delivery date)
